REGISTRATION: To participate in CLW, students do NOT need to pre-register. Rather, they just accept Fr. Martin's invitation when he calls them forward during Mass!

GENERAL FORMAT: Fr. Martin dismisses the children during the Liturgy of the Word during Mass. The kids enter the Parish Hall with their teachers. After opening prayer and listening to the Gospel, the students are engaged in games and activities that unpack the Gospel's meaning. After closing prayer, the students are given a prayer or activity handout to do at home with their families. After class, the children reenter Mass to join their families for the Liturgy of the Eucharist! Two-three confirmation students should be signed up to help the two adults with class.

LESSONS: These are tailored for students between preschool and first grade and uses the teacher's manual called *Celebrating the Lectionary* by Liturgical Training Press publisher.

DURATION: CLW is offered during the Sunday, 10:30 Mass throughout the school year

CALENDAR: Can also be found on-line on Facebook at "St. Gregory Barbarigo Catholic Community."
